

NORTHEAST HOME ENERGY RATING SYSTEM ALLIANCE

HERS RATER TRAINING WINTER 2023
Register by December 20, 2022 and get \$200 off!

Funds are now available through our the Massachusetts Workforce Training Fund for employee training. Please visit our website for details about how to apply.

Full Training Cost of \$2595 includes:

- The combined online and distance-learning classroom training components
- All RESNET Exam Fees (\$525 total value)
- The newly updated Northeast HERS Training and Reference Manual (\$100 value)
- A one-year Associate Membership in the Alliance (\$50 value)
- Trainers: PSD 

Online Modules Component: January 16 -27, 2023 (M-F 9am-12pm and Wednesdays 1- 4pm)

- 36 hours webinar instruction from the comfort of your home or office
- Both recorded and presentation options
- Assignments and quizzes to make sure you master the material

Practical Training Component (On Zoom): February 6 – 10, 2023 - Weekdays 8:30am-5pm

- Distance learning equipment usage with blower door and duct blaster
- 2 of the 5 supervised Probationary Ratings overseen by a RESNET certified Candidate Field Assessor required by RESNET
- Exam preparation, proctoring, and fees for all three RESNET Exams

Certified HERS raters are qualified to:

- Perform duct tightness and blower door testing for homebuilders.
- Certify projects for the ENERGY STAR program (after also completing the Energy Star Certified Homes Program).
- Rate new homes in all states (except CA)
- Assist homeowners with problems such as ice dams, moisture, and mold

Both online and classroom components are required for rater certification.

Final registration deadline is January 3, 2023.
